CAUSE

Mr. Bonds, a registered sex offender, is scheduled to be released from Bureau of Prison's custody on June 4, 2010. At this juncture, he has not secured a Jessica-Law compliant residence. Thus, in order to protect the community while providing Mr. Bonds needed time to secure necessary funds and an approved residence, we are recommending that the offender be placed in a Residential Reentry Center (RRC). As a condition of housing a registered sex offender, the RRC requires that the offender be on location monitoring technology. Consequently, we are also recommending that the offender be monitored with location monitoring technology while he is at the RRC. Mr. Bonds agrees with the proposed modifications as evidenced by his signature on the attached Waiver of Hearing (Form 49).

Respectfully submitted:
